*'Where educational
dreams become reality'*

Dear Parents and Caregivers,

PARENT INTERVIEWS

Interviews will be held on WEDNESDAY 5TH JULY: 8:50 a.m. to 5:30 p.m.

The focus of these interviews is to create a learning relationship between the teacher, child and parents. It is also an opportunity to discuss how your child is adapting to the new learning spaces.

- Parent Interviews are held on one day only.
- Each interview is 20-minutes long, when you will discuss and set learning goals for your child and their progress to date.
- The goals will be based on the individual learning needs of each child.
- Term 2 Written Report will be shared with you.
- The purpose for sharing the report is to help everyone understand the next learning steps and planned learning pathway for your child.
- Concerns regarding behaviour will be discussed at another time chosen between yourself and the teacher if it is necessary

Please indicate the best time slot that you would prefer. These will be organised through the office to ensure we can cater for the majority of requests. For our families with more than one child, we will try our best to ensure that the interviews are close to each other.

As all staff members are involved with parent interviews, we need parents to keep their children at home until it is time for their interview. It is important that your child is with you and the teacher during the interview.

We encourage all our parents to take advantage of the interviews as it is part of a vital process towards achieving a sustainable difference in our children's learning.

Please also fill out the contacts form on the back, in case of change of address or phone numbers.

Kind regards

**Stan Whata
