71 Robertson Road, Mangere, Auckland

COVID-19 Coronavirus disease notice

Wednesday 25 March 2020

This newsletter is designed to update our school community with the rapidly evolving situation related to Covid19 Coronavirus disease.

PLEASE BE ASSURED THAT AS A SCHOOL, WE ARE IMPLEMENTING ALL REQUESTS AND INSTRUCTIONS GIVEN BY THE PRIME MINISTER AND GOVERNMENT

As at 11:59 pm Wednesday 25 March 2020, the entire school will be locked down and no access for any person is permitted. This includes our fields and playgrounds. Please follow all the instructions given by the government. If in doubt, please check the COVID19 website or any of our online media resources - like the New Zealand Herald.

School Holidays

These have been moved forward and begin on Monday 30 March 2020 (this week coming) until Tuesday 14 April 2020 (inclusive). From Wednesday 15 April 2020 we will be doing distance learning or learning at home. Our teachers have been working over the past two days preparing learning resources, material and online learning to support teaching and learning. We are using our school website and a new Facebook page to help share these messages. Our Facebook page is still under development but will be ready as soon as we can.

Contacting the school and teachers

The main contact email address for our school is: mel@koru.school.nz

Teachers can be contacted through your child's google class (for Yrs 3 to 8). Teachers will try and respond as quickly as possible, but please remember, our teachers are in lockdown as well, with their families. They have been asked to be as responsible as they can with correspondence, given the circumstances that we all face. I am asking everyone for some patience during this time.

We have noticed that some emails, for some families, are no longer working. If you need to notify us of any email changes, please contact: mel@koru.school.nz

Please remember to follow all the instructions from our government. Be kind, keep safe and we are all in this together.

Ma te atua tātou e manaaki
